1	About us: Overview	Sibsagar University, a premier seat of higher education in this part of the state, is situated at Joysagar beside the historic tank which stands testimony to the hallowed memory of Sati Joymati, the Ahom Queen of the 17th century. This University is located amidst a picturesque atmosphere, about 5 km south-west of Sivasagar Town, quite away from the din and bustle of town-life. It was established in 1947, coinciding with independence, upholding the aura of that awakening and has traverses a long way since then. Over the years it has cherished a proud tradition of possessing ressourceful and accomplished faculty members and an impressive record of academic output. A posse of patriots and statesmen were its architects, some of whose names have come to be indelibly stamped in the annals of Asom. Their selfless and unflinching commitment had ushered in a rich heritage to this University.	https://sibsagaruniversity.ac.in
