Notice:- Change of MIC/ SEC by FYUGP 1st Semester students

This is to inform all the students of FYUGP 1st Semester that the allotment of Skill Enhancement Courses (SEC) has been made on the basis of their respective Major subjects, keeping in view that the skills to be acquired through the SEC should be relevant to their Major discipline.

On the other hand, the allotment of Multidisciplinary Introductory Courses (MIC) was made through a special counselling-cum-enrolment drive held on 17-08-2026 and 18-08-2026. Due care was taken to ensure that no student was allotted an MIC in a subject in which they had already pursued a course at the Higher Secondary (HS) level.

It has, however, been decided to provide the students of FYUGP 1st Semester with an opportunity to change their allotted SEC and MIC, subject to the following provisions:

1. Change of SEC:

A limited number of students may be permitted to change their existing SEC to any one of the following SECs, subject to availability of seats:

- (a) Library and Information Science – 40 seats
- (b) Principles of Management – 40 seats
- (c) Music – 30 seats

2. Change of MIC:

A limited number of students may be permitted to change their existing MIC to Introduction to Law-MIC, subject to a maximum of 60 seats.

Interested students may report to the undersigned **by 25-08-2026** for the purpose of changing their SEC and/or MIC. The allotment will be made strictly on a **first-come, first-served basis**, subject to the availability of seats.
